## Re: Post primary placement

Dear Parents,

You will receive a letter from the E.A. on **Thursday 4<sup>th</sup> June**, informing you of your child's placement in post primary. The letter will also include information on the appeals process and links to the E.A website for any further details you may require. In the event that you do not receive your letter on that date, I will be available in school, from 12 noon on Thursday 4.6.20, to provide you with the information and to advise as required regarding the next steps if necessary should the outcome not be the one desired.

Yours in partnership

C. Wadsworth
